Product Name: Complete Pancake & Waffle Mix

Ref Number: 10007112

Pack Size: 6kg

Product Information: A complete mix with only the addition of water & melted butter to create waffles, American style pancakes, crepes, doughnut bites and a sweet batter.

For recipe ideas visit www.macphie.com

Recipe: Standard Recipe Kg

1.000Kg Complete Pancake & Waffle Mix

0.265kg Melted Butter

1.235kg Water

Method:

1. Place Complete Pancake & Waffle Mix into a machine bowl fitted with a whisk, add liquids and mix for 1 minute on slow speed, scrape down.
2. Mix on medium speed for 1 minute or until a smooth batter is formed

N.B Product performs better if batter is chilled overnight.

Deposit Weights & Baking Times

- Follow manufactures guidance on waffle iron
- Hotplate - Cook pancakes for 60-90 sec each side on a medium heat around 200°C.
